# “Making Connections Through Character Education”

**Thursday, October 23, 2025, 9:30 am – 2:00 pm at NJPSA**

**Fee: \$65 (includes NJASECD Membership and Buffet Lunch)**

Positive Climate and Culture in school creates a warm, friendly learning environment for students and an inspiring work environment for teachers, staff, and parents. All too often educators are faced with difficult situations, disaffected students, and colleagues who feel defeated. Connecting with one another through Character Education leads to school improvement, student engagement, parent involvement, teacher collaboration, and academic achievement. Our NJ schools are already supporting staff, students, and parents. Come and share your successes while investigating replicable practices for all levels, elementary, middle, and high school.
